

# Summer Youth

# Employment Program

internships

Students will earn \$15/hour. Intern where your interests meet real opportunity.

- Businesses interested in participating should visit the TEDC website and submit an application by February 20.

Business Application Due now - Feb 20

Student Application Window Mar 3 - Apr 6

- Students should visit the TEDC website to explore industries and occupations aligned with their interests and check regularly for newly added businesses.

- If students are contacted by a business, they should be prepared to schedule professional interview.

Interviews Apr 13 - May 8

Offer Letter By May 15

- Students should stay alert and regularly check their emails and calls for important updates.

- Students have the opportunity to either work part-time (140 hrs) or full time (280 hrs).
