

[For Immediate Release: July 11, 2019]

What: To help you find your next job, Lone Star College-Tomball Community Library is partnering with Workforce Solutions to offer three seminars. A knowledgeable and experienced consultant from Workforce Solutions leads the seminars that focus on job related topics like networking, using social media, writing resumes and interviewing. The seminars usually last two hours and are open to anyone who would like to attend, including students, faculty, staff and members of the local community.

July 24: CLOSING THE DEAL

In this seminar, participants will learn about networking, how to use social media as a networking tool and how to follow up with an employer after the interview.

August 7: JOB READINESS TOOLKIT

The purpose of this seminar is to evaluate and practice effective communication in applications, resumes, basic introductions and interviewing.

August 21: A TARGETED PLAN

The purpose of this module is to review current labor market information and assess your needs and employment skills to create a targeted search plan.

Who: Anyone may attend, including LSC-Tomball staff, students, faculty and members of the community. Attendees may pre-register by calling the Library's Reference Desk at 832-559-4211, but it is not mandatory.
